SPECIAL INSTRUCTIONS -ALUM CREEK

1. There will be absolutely no passing in a no wake zone. Do not run alongside the boat number in head of you. That could keep them from be able to turn safely. I do not want boats in close proximity of each other. You will get no closer that 10yrds (30ft) from the boat in front of you, IF YOU SEE A VIOLATION, PLEASE GET VIDEO OR PICS AND FILE A PROTEST. REMEMBER WE CAN'T DO ANYTHING WITHOUT YOU FILING FOR A PROTEST. (Never happens but we want you to know the process)
2. We will draw 3 boats for tournament committee. For this event boat **4/09/18**
3. Great job this year everyone you have been in the water early most every event.
4. Check out the Toyota owner's event this year at Pickwick Lake! If you have not looked at a Toyota truck you need to! Check out Steve Daltons. Toyota West will take care of you if you give them a shot. Ask for fellow angler and Ranger boat owner Steve Fyffe.
