SPECIAL INSTRUCTIONS –ALUM CREEK

1. There will be absolutely no passing in a no wake zone. Do not run alongside the boat number in head of you. That could keep them from be able to turn safely. I do not want boats in close proximity of each other. You will get no closer that 10 yards (30ft) from the boat in front of you.

IF YOU SEE A VIOLATION, PLEASE GET VIDEO OR PICS AND FILE A PROTEST. REMEMBER WE CAN'T DO ANYTHING WITHOUT YOU FILING FOR A PROTEST. (Never happens but we want you to know the process)

2. We will have 3 boats for tournament committee. Boat **2/17/29**

3. Be very vigilant on fish care. It will be hot so pack ice, keep livewells going non-stop! I almost lost 2 fish at Alum last week due to being on timed rather than non-stop aeration.

4. Only live fish may be weighed for big bass or a tie breaker.

5. You must physically fish a min of 4 events and pay the \$125 each for 6 of the 7 events to qualify for the classic. If your partner can't go to the classic you may pair with another qualified KMTT member in the same situation to form a team or fish alone.

6. Have your livewells open in the morning for boat check. This makes things easier for the guys checking livewells.

7. We are looking to add a new division next year. Alum only division. You may not jump into another division for an event due to our 40 boat limit in our current division. The lakes are too small for that. You may pay to fish both divisions for the year if you choose. It would require you to pay deposits for the year in both divisions.
