DAY #1 ALL BOAT NUMBERS DUE IN: 5:30PM

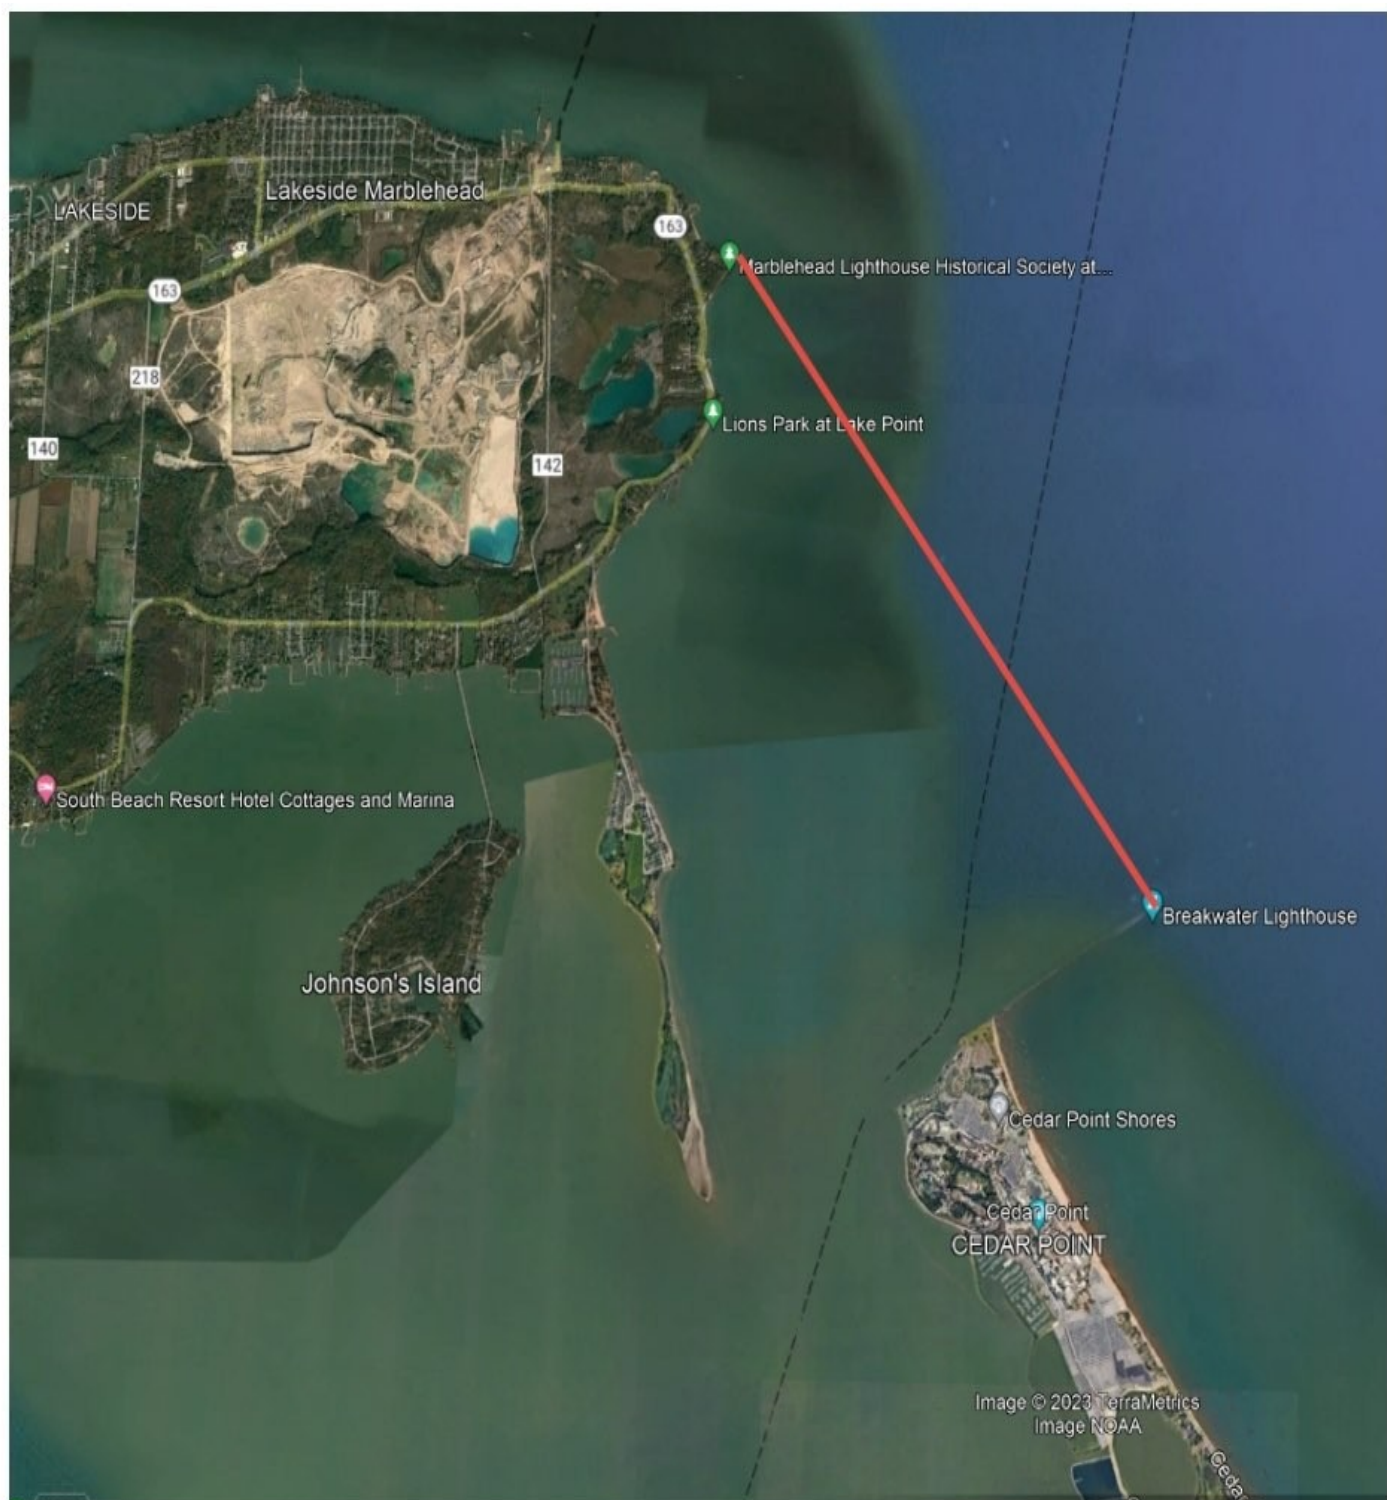

DAY #2 ALL BOAT NUMBERS DUE IN: 4:30PM

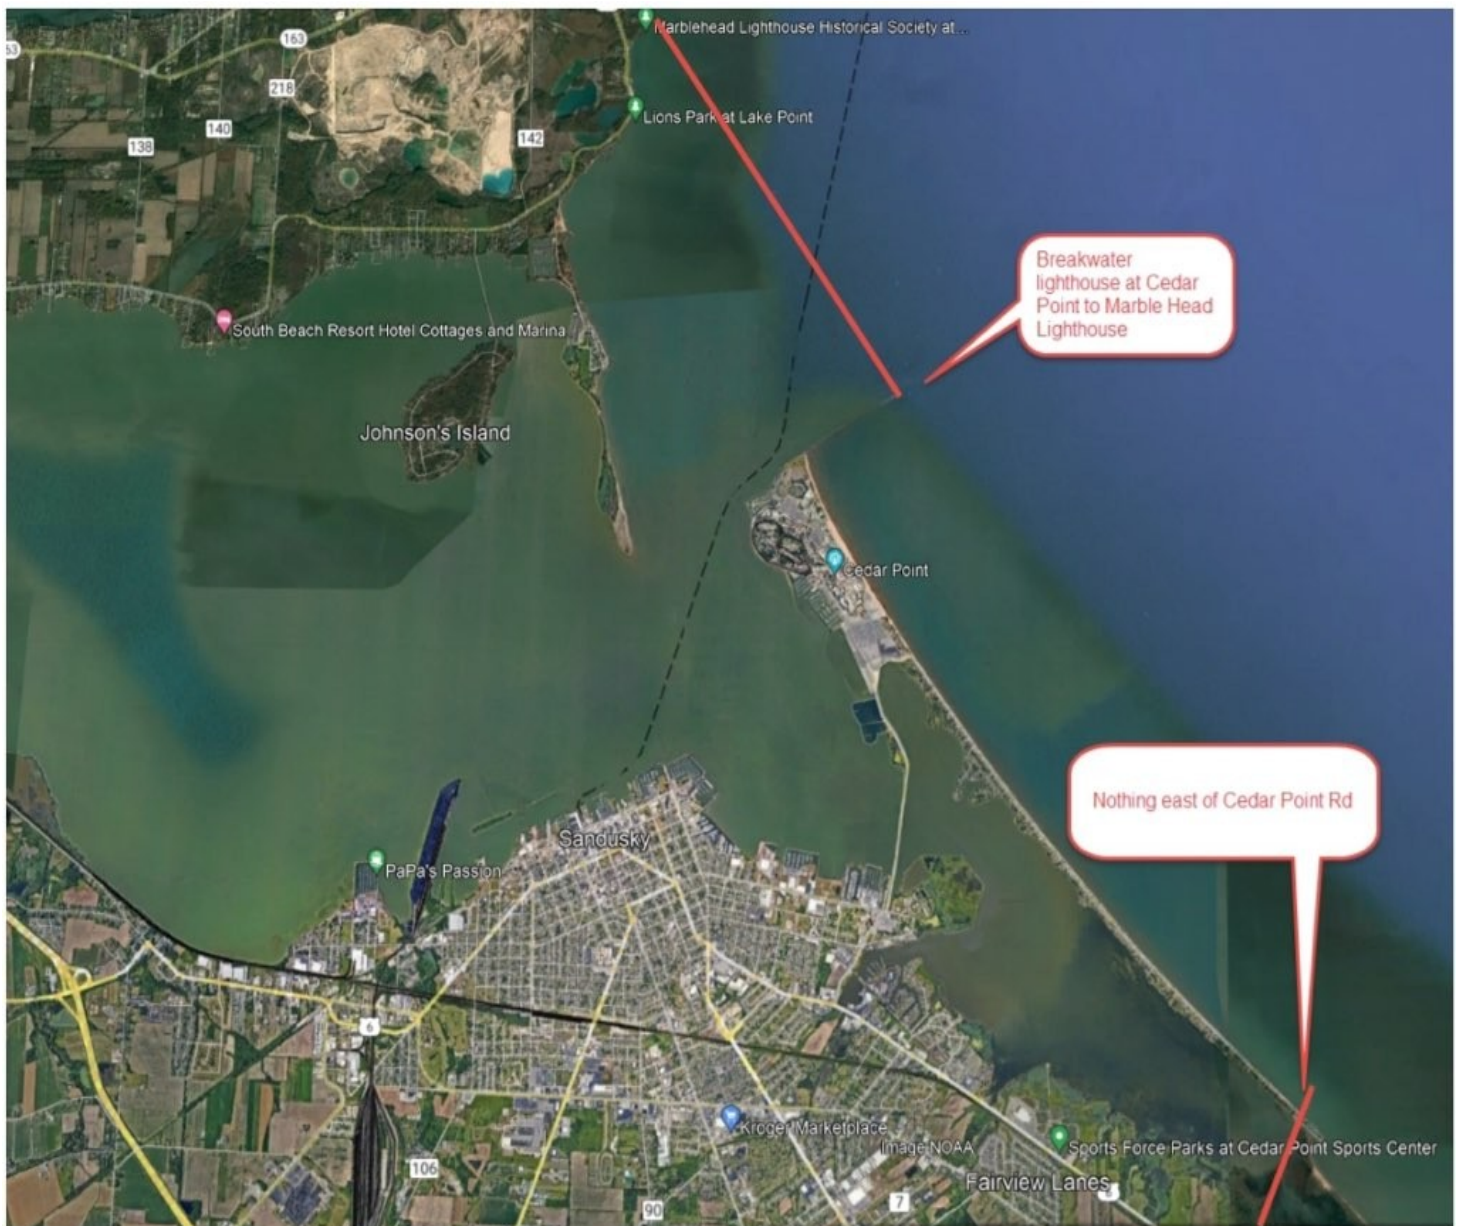

SPECIAL INSTRUCTIONS – LAKE ERIE IF NESSESARY

1. Please get your classic entry and if required any buy in money for your team to qualify for the 2026 KMTT classic by 09/20/26. We do not want entry fees paid at the classic. Special situations will be considered but you must contact us.
2. Our website has been updated with payouts based on 30 boats fishing the classic. If you go to WWW.OMBTT.Com you can view the projected payout for the 2026 Classic. We have all of our money accounted for payouts and projections.
3. 2027 will introduce the new division of KMTT the Alum Division. They will not be able to affect the current division due to we will not allow them to jump divisions. The division you fish is the division you fish. If you want to fish both divisions you must pay the deposits for both for the year to do so. We cherish our original Knox Marine division and will not allow anyone to cherry pick events. It is a strict regulation of 40 boats maximum of paid for year participants.
4. I would like to take this time to thank all of our wonderful members. You are my favorite group of anglers we have had. I am looking forward to 2027.
5. We have our boundaries for our legal fishing areas posted on the classic page of our website. Please view this area and if you are not sure about an area be sure to reach out to me or Pat.
6. If you bring us a bunch of beat up, finned, or bleeding fish you can take them home. We will not weigh them and your catch will be disqualified. You have more than enough time with our fishing hours that you will not need to run hard. It is your responsibility to stop periodically to check on your fish and water levels in your livewell.
7. Lake level is low so be careful. If we get a strong wind pushing water out of the bay it will become even lower than normal.
8. All of our side pots and projected payouts are listed on the 2026 classic page on WWW.OMBTT.COM They are all optional to our members.
9. A huge thanks to all of our sponsors who help keep the trail going. These sponsors are responsible for some of the awards and payouts you have received this year! They are also great companies that all of you should support on your next purchase!

Knox Marine

Remember not to go outside the marked boundaries. Anyone caught fishing outside of these area's will be immediately disqualified. Keep you trails on your GPS. You will need them if you are challenged.

Be sure to not go under the back bridge of Ceder Point Rd you would be considered in off limits water.

The boat ramp launch area is (NOT) off limits. You may fish the area.

Be careful this year the lake level is still low and if we get a strong wind pushing water out of the bay it will be even lower.
