SPECIAL INSTRUCTIONS – Clearfork

1. I will hand out winning again if everyone continues to do such a good job keeping crowds down and social distancing. Thanks everyone for a job well done.
2. **WE WILL NOT TOLERATE UNSPORTSMAN LIKE CONDUCT.** Don't do unto others that you would not want done to you.
3. Remember the lake is a 7mph limit. The police boat has been up there looking for folks running in excess of the speed limit.
4. If you see a violation get a pic or video with your phone and file a protest. We can't do anything without a protest being filed.
5. We have really noticed a difference at most lakes this year with the non-penetrating cull systems you have been using. The fish are in great shape compared to previous years. For the most part very we are seeing very few holes in their mouths!!!! I have noticed holes in some fish at Clearfork please try to get all venues who fish there to adopt these rules. The lake already has enough issues hurting it.
6. Remember any OMBTT run event does not allow a-rigs.
7. Current Big Bass of the year Smith/Bair 5.46 look at KMTT page to make sure you're in the pot. I show about 5 teams that declined. Pot is \$600.00 currently.
