TIGHTLINES AN OMBTT NEWSLETTER

August 2018

## OMBTT CURRENT MEMBERS

This year was very challenging to try to fill the field. I kept things the way they were as requested by the members at last years classic but also told everyone if it did not work out I would be making changes for the future. I am waiting to make any decisions till we see how many anglers go to the classic and how the fishing is earlier than normal at KY Lake. We are required now to have our classic before the end of October due to Moors will not stay open that late in the year any longer. I can assure you Mega will be back in 2019 at these lakes. Buckeye, Indian, Erie, Grand Lake, Alum and Delaware. I have already filed for dates but nothing is approved as of yet. We will be looking at many aspects of the current format and determining if changes are warranted for the betterment of the trail. Mega will grow in my opinion with a little tweaking of the format.

Where are we now in the trail you ask? Actually sitting pretty good for the classic. We have \$10,920 in the classic fund with 2 events left. We have been consistently putting around \$2,160 into the kitty at each event. Mikes Roofing (Mike Cullop) has donated \$1,000 and K&D Auto Glass (Jeff Kauth) has donated \$1,000 to the classic fund as well. Just a guesstimate we could have around \$16,000 then add 30 teams for another \$6,000 in entry's at the classic. That would be \$22,000 that 30 teams would be fishing for at the 2018 classic. We need to decide how many spots we pay out for this event.

## KMTT a huge success for the 2018 season.

Going on our second season now with KMTT we were so happy to see the huge interest in the trail. We did not anticipate filling the field in February but that seems to be the direction from here on out. If you have an interest in the trail be sure to pay your deposits early for 2019!

Set up at Pleasant Hill

## KMTT on for 2019

We have filed for most of our permits for 2019 and anticipate these lakes for the upcoming season. Buckeye, Pleasant Hill, Clearfork, Alum Creek and Delaware reservoir. Remember you must pay your deposits on all 6 events to lock your spot for the upcoming season. Membership and deposits comes to \$350.00 and the remaining \$50.00 entry at each event will be due on or before registration of that event. Double draw is paying years fees and membership up front \$650.00

You may also get on the paid waiting list for a single event or a few select events if you choose not to fish the entire season. Most likely you will not get in though. To do this the full entry and membership must be paid and if you do not get in we will refund.

I want to thank all of our wonderful sponsors who support the anglers and Ohio Mega Bass Tournament Organizations. We cant do this without your support! I also want to thank the loyal anglers who are fishing with us we appreciate you choosing our organization!

## Pro Opens almost fill in first year!

Our Pro Open concept is a \$300.00 team entry 90% payback no membership fee format. We are so happy with the payouts as well as first years participation level and will be back for 2019.
