### SPECIAL INSTRUCTIONS – INDIAN LAKE

1. LIFE JACKETS MUST BE WORN WHEN OPERATING ABOVE NO WAKE.
2. I will continue to hand out winnings after the events so please follow recommended safety guidelines at all events.
3. WE WILL NOT TOLERATE UNSPORTSMAN LIKE CONDUCT. Don’t do unto others that you would not want done to you.
4. Remember the lake has no-wake areas please adhere and do not pass anyone in a no-wake zone.
5. If you see a violation get a pic or video with your phone and file a protest. We can’t do anything without a protest being filed.
6. We have really noticed a difference at most lakes last year with the non-penetrating cull systems you have been using. The fish are in great shape compared to previous years. For the most part very we are seeing very few holes in their mouths!!!! I have noticed holes in some fish at Clearfork please try to get all venues who fish there to adopt these rules. The lake already has enough issues hurting it.
7. Remember any OMBTT run events do not allow a-rigs.
8. You may fish just one event or as many as you wish as long as we have a spot open. Those who prepay for a single event will have priority over ramp entry’s.
9. To qualify for classic each partner must have fished at least 4 events each and paid for a minimum of 6 events in full. Its as easy as that.
10. For Team of the year award no alternates allowed. You can still fish by yourself for team points but if you use an alternate it will be considered a new team although you will still get credit for fishing an event towards classic qualification purposes.
